

Experience the spirit of the Home of Lässig

For those who are not already familiar with the Skicircus Saalbach Hinterglemm Leogang Fieberbrunn, the first thing you will grin about is the long name. However, just as long as the name is are the list of opportunities in the coolest ski region of the Alps. The region, which covers two Austrian states, not only combines 270 kilometres of piste, 70 modern lifts and 60 cosy, stylish huts but also has a special feeling: The spirit of the Home of Lässig – or in other words: the pure feeling of happiness! This feeling is what fun-loving families, sporty Alpine skiers and freeriders will all find here.

How do you define this feeling of happiness? For some, it is the caring attitude and warmth that is experienced from the hotel to the ski school – for others, it is the perfection of the prepared pistes and the ultra-modern lifts. Or is it the deep virgin snow and the “face shots” that bring a smile to your face? The Home of Lässig is all about joie de vivre, cosiness, and variety, for a diversified and unique experience, that will live forever in your memory.
